

Is Moody Air Force Base important to YOUR business?

We can bet that it is. Show your support of military members in our community by joining the **Chamber's Certified Military Friendly Program**. Businesses affiliated with the program will be recognized in our marketing efforts that target military personnel, including special acknowledgement on the Chamber website and a profile on the CertifiedMilitaryFriendly.org website. Participating businesses also receive a Certified Military Friendly decal to display on the door of your business and on your website letting our military members know that this is a great place for them to do business. There are just a few requirements to become a part of the program outlined below.
